(Title III case numbers are listed as Bankruptcy Case numbers due to software limitations).

Norton Rose Fulbright US LLP (“NRF” or the “Firm”), as special debt financing counsel to Puerto Rico Electric Power Authority (“PREPA”), makes its ninth interim application (this “Application”) for allowance of compensation, under sections 316 and 317 of PROMESA, of \$40,474.50 and reimbursement of expenses of \$0.00, for a total amount of \$40,474.50, for the period from October 1, 2022 through January 31, 2023 (the “Compensation Period”), in accordance with (i) the *Order Setting Procedures for Interim Compensation and Reimbursement of Expenses of Professionals*, dated November 8, 2017 [ECF No. 1150], as amended [ECF Nos. 1715, 3269, 20546] (together, the “Interim Compensation Order”), and (ii) the *Memorandum Regarding Fee Review – Timeline and Process*, dated November 10, 2017, and the *Memorandum to Professionals Subject to Title III Fee Review*, dated February 22, 2019 (collectively, including all amendments and supplements, the “Fee Examiner Guidelines”). In support of this Application, the Firm respectfully states as follows:

BACKGROUND

1. On May 3, 2017, the Commonwealth of Puerto Rico (the “Commonwealth”), by and through the Financial Oversight and Management Board for Puerto Rico (the “Oversight Board”), as the Commonwealth’s representative pursuant to section 315(b) of PROMESA, filed a petition with the Court under title III of PROMESA.

2. On May 5, 2017, Puerto Rico Sales Tax Financing Corporation (“COFINA”), by and through the Oversight Board, as COFINA’s representative pursuant to PROMESA section 315(b), filed a petition with the Court under title III of PROMESA.

3. On May 21, 2017, Puerto Rico Highways and Transportation Authority (“HTA”), by and through the Oversight Board, as HTA’s representative pursuant to PROMESA section 315(b), filed a petition with the Court under title III of PROMESA.

4. On May 21, 2017, Employees Retirement System for the Commonwealth of Puerto Rico (“ERS”), by and through the Oversight Board, as ERS’s representative pursuant to PROMESA section 315(b), filed a petition with the Court under title III of PROMESA.

5. On July 3, 2017, Puerto Rico Electric Power Authority (“PREPA”), by and through the Oversight Board, as PREPA’s representative pursuant to PROMESA section 315(b), filed a petition with the Court under title III of PROMESA.

6. Through Orders of this Court, the Commonwealth, COFINA, HTA, ERS, and PREPA Title III Cases (together, the “Title III Cases”) are jointly administered for procedural purposes only, pursuant to PROMESA section 304(g) and Bankruptcy Rule 1015 [ECF Nos. 242, 537, 1417].

7. On October 6, 2017, the Court entered the *Order Pursuant to PROMESA Sections 316 and 317 and Bankruptcy Code Section 105(a) Appointing a Fee Examiner and Related Relief* [ECF No. 1416], appointing Brady Williamson of Godfrey & Kahn, S.C. to serve as Fee Examiner in the Title III Cases. To date, the Firm has worked cooperatively with the Fee Examiner to ensure that PREPA is provided with cost-effective and efficient services.

COMPENSATION REQUESTED BY THE FIRM

8. PREPA has retained the Firm pursuant to the following services agreements: a Professional Services Agreement, dated September 13, 2018, a Professional Services Agreement, dated September 30, 2019, a Professional Services Agreement, dated July 26, 2021, and the most recent agreement, a Professional Services Agreement, dated August 17, 2022 (collectively, the “Professional Services Agreements”), which ends by its terms on June 30, 2023.¹¹

¹¹ A copy of each of the Professional Services Agreements has been provided to the Fee Examiner.

9. The Firm's hourly rates are set at a level designed to compensate NRF fairly for the work of its attorneys and paraprofessionals and are disclosed in detail in the Professional Services Agreement. The Firm further has agreed to apply (a) its 2018 rates to all services rendered to PREPA through and including the month of June, 2019, (b) its 2019 rates to all services rendered to PREPA for the period from October, 2019 through and including June, 2020, (c) its 2021 rates, as corrected, to all services rendered to PREPA for the period from July 1, 2021 through June 30, 2022, and (d) its 2022 rates to all services rendered to PREPA for the period from August 30, 2022 through June 30, 2023.¹²

10. The Firm's rates are appropriate for complex financing, corporate, securities, litigation, and restructuring matters, whether in court or otherwise. The rates and rate structure reflect that such complex matters typically involve high stakes and intense time pressures. The Firm submits that the compensation requested is reasonable in light of the nature, extent, and value of such services provided to PREPA.

11. During the Compensation Period, the Firm did not receive any payments or promises of payment from any other source for services rendered or to be rendered in any capacity whatsoever in connection with the matters covered by this Application. There is no agreement or understanding between the Firm and any other person, other than partners of the firm, for sharing of compensation to be received for services rendered in these cases.

SUMMARY OF SERVICES

12. During the Compensation Period, the Firm provided professional services to PREPA in connection with its Title III case and other matters. Detailed descriptions of the specific services provided (redacted to preserve privilege, confidentiality and work product) and the time

¹² The Firm did not have a professional service agreement with PREPA for the period of July 1, 2020 to July 31, 2021.

expended performing such services are attached as **Exhibit B**. Additionally, a summary of the services the Firm provided to PREPA during the Compensation Period is set forth below.

13. During the Compensation Period, the Firm concentrated its efforts primarily on matters relating to (a) compliance with the administrative obligations of this case, or (b) the review, preparation and filing of PREPA's annual disclosure statements with the Municipal Securities Rulemaking Board, including review and analysis of previously filed annual disclosure statements, and review, analysis and editing of certain of PREPA's audited financial statements, including subsequent events notes relating to PREPA's outstanding legacy debt securities. As a result of the categories of services and advice provided, NRF submits that the fees and expenses for which it seeks approval were reasonable and necessary.

14. The Firm has established Task Codes for keeping time records of the work performed for PREPA. The following is a summary, by Task Code, of the professional services provided by NRF during the Compensation Period, and the services provided by the Firm to PREPA, organized by Task Code category.

a) B110 – Administration/Case Administration – 1.9 hours – \$1,194.00 fees

15. During the Compensation Period, services performed by the Firm in this category related to the administration of the Firm's representation of PREPA, including with respect to compliance with the Fee Examiner's procedures.

b) B160 – Preparation of Fee Applications – 31.80 hours – \$23,323.50 fees

16. During the Compensation Period, services performed by the Firm in this category related to the Firm's preparation of bi-monthly fee statements and interim fee applications. The Firm prepared and served the Firm's Twenty-Fourth (Bi-Monthly), Twenty-Fifth (Bi-Monthly), and Twenty-Sixth (Bi-Monthly) Fee Statements (collectively, the "Statements"). Because of the

confidential nature of the services being provided by the Firm to PREPA, the Firm also continued to create and serve on certain parties special invoices to support each of the Fee Statements, from which all confidential and/or sensitive information was redacted. Additionally, the Firm completed the filing of its Seventh Interim Fee Application, and prepared and filed its Eight Interim Fee Application, covering services rendered during a six month period from February, 2022 through and including September, 2022. Finally, the Firm reviewed and resolved certain questions raised by the Fee Examiner with respect to the services the Firm provided PREPA in the Firm's seventh interim fee application.

c) P220 – Legacy PREPA Bonds – 18.50 hours – \$15,957.00 fees

17. This category includes all tasks performed by the Firm in connection with the review, preparation and filing of PREPA's annual disclosure statements with the Municipal Securities Rulemaking Board, as well as the Firm's review, analysis and editing of PREPA's financial statements. Among other things, during the Compensation Period, the Firm conducted conference calls with PREPA and various of its advisors to address confirmation of certain financial information for PREPA's audited financial statements. Additionally, the Firm completed its review, analysis and revision of PREPA's 2016-2020 financial information and operating data, and began the review, analysis, evaluation and revision of PREPA's FY 2021 financial statements in order to determine the accurateness of various disclosures, including whether certain information or other data should be included in such reports or statement. Finally, the Firm obtained the information and prepared a response to PREPA's audit inquiry letter, in relation to PREPA's FY 2020 financial statements.

**CERTIFICATION OF LAWRENCE A. BAUER PURSUANT TO PUERTO RICO
LOCAL BANKRUPTCY RULE 2016-1(A)(4)**

Lawrence A. Bauer, under penalty of perjury, certifies as follows:

1. I am a partner with the law firm of Norton Rose Fulbright US LLP (“NRF”). I make this certification in accordance with Rule 2016-1(a)(4) of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Puerto Rico (the “Local Rules”) regarding the contents of applications for compensation and expenses.

2. I am familiar with the work performed by NRF for Puerto Rico Electric Power Authority (the “Debtor”), acting for or on behalf of the Debtor.

3. I have read the *Ninth Interim Application of Norton Rose Fulbright US LLP for Allowance of Compensation for Services Rendered and for Reimbursement of Expenses As Special Debt Financing Counsel to Puerto Rico Electric Power Authority for the Period from October 1, 2022 through January 31, 2023* (the “Application”), and the facts set forth therein are true and correct to the best of my knowledge, information, and belief.

4. To the best of my knowledge, information, and belief, formed after reasonable inquiry, the fees and disbursements sought in the Application are permissible under the Fee Examiner Guidelines, PROMESA, the Bankruptcy Code, the Federal Rules of Bankruptcy Procedure, the Interim Compensation Order, the Fee Examiner Guidelines, and the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Puerto Rico, except as follows. Because of the cost of preparing the monthly statement and budget, particularly when compared to the different amounts of services being provided from month to month, the Firm reached out to Leah Viola, one of the Fee Examiner’s representatives, to obtain guidance regarding whether it would be beneficial to the estate for the Firm to continue to prepare monthly budgets as to anticipated NRF fees to be charged to PREPA and corresponding fee

monthly fee statements. As a cost savings measure, with respect to the budget requirement, the Firm and Ms. Viola agreed that until the Firm was asked to either render a larger amount of services, or services on a more regular and predictable basis, the Firm would refrain from preparing monthly budgets. With respect to the monthly fee statements, the Firm would either dispense with them if the services were minimal, or switch to bi-monthly fee statements if the services being provided were of a larger amount. Accordingly, the Firm has not provided monthly budgets, and switched to submitting bi-monthly fee statements for the months of October, 2022, through January 2023.
